

AME

Department	Programme Code	Stage	Module Title	Proposed changes to Teaching and Learning Strategy
AME – Pilot. Studies	CW538	1	Electrical Fundamentals	Assessments, when complete will fully address the Learning Outcomes.
AME – Pilot. Studies	CW538	1	Electronic Fundamentals	Assessments, when complete will fully address the Learning Outcomes.
AME – Pilot. Studies	CW538	1	Technical Aircraft Leasing	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME – Pilot. Studies	CW538	1	Mathematics	Assessments, when complete will fully address the Learning Outcomes.
AME – Pilot. Studies	CW538	1	Aircraft Structures Fundamentals	Assessments, when complete will fully address the Learning Outcomes.
AME – Pilot. Studies	CW538	1	EU Aviation Policy	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW507/CW568	1	Mathematics 1	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW507/CW568	1	Basic Aerodynamics	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW507/CW568	1	Introduction to Aircraft Design	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW507/CW568	1	Electrical Fundamentals	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW507/CW568	1	Electronic Fundamentals	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW507/CW568	1	Physics	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW507/CW568	2	Mathematics 2	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW507/CW568	2	Human Factors	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW507/CW568	2	Materials & Hardware	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW507/CW568	2	Aircraft Structures fundamentals	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW507/CW568	3	Aviation Legislation	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW507/CW568	3	Mathematics 3	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW507/CW568	3	Electrical Power Systems	Final Examination is moved to Online, exams/assignment with oral exam permitted.

AME Aero – ACS	CW507/CW568	3	Aerodynamics & Flight Control Systems	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW507/CW568	3	Aircraft Systems	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW507/CW568	3	Aircraft Structures	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW568	4	Aerodynamics & CAD	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW568	4	Flight Dynamics and Control	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW568	4	Aircraft Structures	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW568	4	Embedded Systems	Assessments, when complete will fully address the Learning Outcomes.
AME Aero – ACS	CW568	4	Technical Aircraft Leasing	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW568	4	Computer Networks for Aircraft	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME Aero – ACS	CW568	4	Professional Studies	Assessments, when complete will fully address the Learning Outcomes.
AME – Elec – MCS	CW527/CW537/CW558	1	Principles of Electricity	Assessments, when complete will fully address the Learning Outcomes
AME – Elec – MCS	CW527/CW537/CW558	1	Electronic Engineering Practice	Assessments, when complete will fully address the Learning Outcomes
AME – Elec – MCS	CW527/CW537/CW558	1	Engineering Science	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW527/CW537/CW558	1	Introduction to Electronics	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW527/CW537/CW558	1	Mathematics 1	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW527/CW537/CW558	2	Electronic Communications	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW527/CW537/CW558	2	Digital Electronic Systems	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW527/CW537/CW558	2	Industrial Studies	Assessments, when complete will fully address the Learning Outcomes
AME – Elec – MCS	CW527/CW537/CW558	2	Mathematics 2	Assessments, when complete will fully address the Learning Outcomes
AME – Elec – MCS	CW527/CW537/CW558	2	Computer Programming for Engineers	Final Examination is moved to Online, exams/assignment with oral exam permitted

AME – Elec – MCS	CW527/CW537/CW558	2	System Design and Test	Assessments, when complete will fully address the Learning Outcomes
AME – Elec – MCS	CW527/CW537/CW558	3	Management Studies	Assessments, when complete will fully address the Learning Outcomes
AME – Elec – MCS	CW527/CW537/CW558	3	Programmable Electronics	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW527/CW537/CW558	3	Digital Communications	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW527/CW537/CW558	3	Computer Networks I	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW558	4	Computer Networks II	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW558	4	Digital System Design	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Elec – MCS	CW558	4	Professional Studies (<i>elective</i>)	Final Examination is moved to Online, exams/assignment with oral exam permitted
AME – Mech	CW517/CW548	1	Mechanics of Machines	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME – Mech	CW517/CW548	1	Mathematics	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW517/CW548	1	Technical Graphics	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW517/CW548	1	Plant Engineering	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME – Mech	CW517/CW548	1	Electrical Science	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME – Mech	CW517/CW548	1	Energy Technology	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW517/CW548	2	Mechanics of Machines 2	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW517/CW548	2	Mechatronics	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW517/CW548	2	Energy Systems	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME – Mech	CW517/CW548	2	Mathematics 2	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW517/CW548	2	Industrial Studies	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW517/CW548	2	Technical Graphics	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW517/CW548	3	Mechatronics 3	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME – Mech	CW517/CW548	3	Maths 3	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW517/CW548	3	Energy Systems	Assessments, when complete will fully address the Learning Outcomes

AME – Mech	CW548	3	Dynamics	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW548	3	Computer Integrated Engineering	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW548	3	Management Studies	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW548	3	Development Project	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW548	4	Process Engineering	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW548	4	Sustainable Energy	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW548	4	Mechanics of Materials	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW548	4	Quality	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW548	4	Project	Assessments, when complete will fully address the Learning Outcomes
AME – Mech	CW548	4	Professional Studies	Final Examination is moved to Online, exams/assignment with oral exam permitted.
AME – TV	CW547/CW578	1	Introduction to Audio for Visual Media	Assessments, when complete will fully address the Learning Outcomes
AME – TV	CW547/CW578	1	Media Technology	Assessments, when complete will fully address the Learning Outcomes
AME – TV	CW547/CW578	2	Graphics and Animation I	Assessments, when complete will fully address the Learning Outcomes
AME – TV	CW547/CW578	2	Producing & Writing for Factual TV	Assessments, when complete will fully address the Learning Outcomes
AME – TV	CW547/CW578	3	Graphics and Animation II	Assessments, when complete will fully address the Learning Outcomes
AME – TV	CW578	4	Advanced Graphics and Editing	Assessments, when complete will fully address the Learning Outcomes
AME – TV	CW578	4	Radio Production	

Programme References

CW517	BEng in Mechanical Engineering
CW548	BEng (Honours) in Mechanical Engineering
CW 527	BEng in Electronic Engineering
CW537	BEng in Electronic Engineering - Military Communication Systems
CW558	BEng (Honours) in Electronic Systems
CW507	BEng in Aircraft Systems
CW568	BEng (Honours) in Aerospace Engineering
CW538	BSc in Pilot Studies
CW547	BSc in TV & Media Production
CW578	BSc (Honours) in TV & Media Production
